Complementary Products

NOMAPACK® L

NOMAPACK® L - profiles are available with or without adhesive. They are the ideal protection for corners, edges and scratch-sensitive flat products. They supply protection for individual pieces or can work as protection of a whole pallet.

NOMAPACK® WS

NOMAPACK® WS is an innovative transport protection for windscreens and glass. An inner reinforcement of the profile prevents piercing due to sharp edges and protects the product efficiently. An extensive assortment of tool accessories is available to simplify the handling.

NOMAPACK® Pad

NOMAPACK® Pad, the little spacer with big effect. Available in different dimensions with permanent or residue-free removable adhesive. This is the ideal packaging spacer to separate or fix sensitive goods. The Pads are packed in preslit units, to allow you to separate the required lengths simply and cleanly.
